

Internship Opportunity | Schaaf CPA Group | January 18, 2027– April 16, 2027

Looking for an internship where your work matters? At **Schaaf CPA Group**, you'll gain hands-on experience, contribute to real client engagements, and work closely with a supportive team.

Schaaf CPA Group is a full-service accounting firm with local roots and national expertise that serves businesses and individuals by providing tax, accounting, and consulting services throughout the U.S. We pride ourselves on delivering personalized, thoughtful solutions—because no two clients are the same. That same philosophy extends to our people. Our collaborative culture emphasizes teamwork, professional growth, and long-term career development.

The Role

Accounting interns work alongside experienced professionals and a dedicated mentor while assisting with tax engagements and special projects. This project-based, in-person internship provides exposure to multiple industries and practical experience directly aligned with your academic studies.

This internship runs from January 11, 2027 to April 16, 2027.

Key Responsibilities

- Assist with tax engagements, research, and special projects
- Work with client financial statements for tax compliance
- Gain exposure to a variety of accounting and tax situations
- Collaborate as part of a trusted advisory team

Qualifications

- Pursuing a degree in accounting, finance, or a related field
- Minimum 3.5 GPA
- Proficiency in Microsoft Office (Excel, Word, Outlook, Teams)
- Adapt to software used throughout the firm
- Strong communication skills and eagerness to learn
- Ability to maintain confidentiality
